BECOME A BATTLE OF THE BRAVE V.I.P BOXING SPONSOR

Sponsors, this boxing event is the perfect excuse for a get together, to reward your team, your key suppliers, or to support your staff and our local boxers! What's in store is an exhilarating night where you'll be highly entertained by boxers going toe-to-toe in the ring for 3 x 2 minute rounds. The result will be a fabulous spectacle! A great night of entertainment where we can all raise much needed funds for underprivileged youth & amateur boxers.

By sponsoring a boxer in the event, your business will receive advertising in the official Event Programme, as well as on TGA Box's social media pages, and will receive shout-outs from the ring on the night. Plus, you and your guests will enjoy a delicious buffet meal at a prestigious corporate table with a brilliant view of all the action in the ring!

HOW TO BECOME A V.I.P SPONSOR

There are two parts to the cost of sponsoring a Battle of the Brave boxer. The first is the boxer registration fee of \$395 which covers their entry, 8-weeks of bootcamp training & the hire of protective gear on the night.

The second is to purchase one of the Corporate Table options.

Simply contact the event coordinator at info@tgabox.co.nz to reserve your corporate table, and advise them which boxer you will be sponsoring. An invoice will be sent, followed by a receipt upon payment. Before the fight night, sponsors will be emailed the fight card with the order of bouts, along with further information.

Your tickets are wristbands which give Corporate Guests V.I.P access to the event, the bar, and the buffet. These can be collected from TGA Box prior to the event, or at the Venue on the night. The event is held at the QE2 Centre in Tauranga. Doors open 4:45pm. Dress code is Smart (no stilettos due to the flooring).
